An attractive and unique pair of Italian 19th century patinated wood, Giltwood, specimen marble and semi-precious stone wall decor/panels. Each half round panel displays a variety of seven different marbles which are fitted within a patinated brown demi-lune frame. Each exceptional specimen of marble/stone is displayed side-by-side in a fan like shape, with Vert de Patricia, Rosso Levanto, Sienna and various other stones framed within a black Belgian marble fillet. Stunning Giltwood arches separated by mottled finials follow the shade of each marble and are separated by Giltwood triangular carvings.
