An impressive and most elegant pair of Italian early 19th century Louis XVI st. patinated and Giltwood Trumeau mirrors. Each large scale mirror retains its original mirror plate framed within a fine wrap around mottled giltwood border. The base also displays a mottled band and delicate rosettes at each corner centering a richly carved foliate reserve. At each side are beautiful reeded urns with scrolling foliate movements leading upwards to a charming additional rosette and lovely foliate designs all framed within a Giltwood fillet. Above are additional most decorative richly carved rosettes and foliate designs with a central reeded urn and a mottled top border.
