A elegant and high quality pair of richly carved French 19th century Louis XV st. Giltwood and Rosso Levanto marble consoles. Each stunning console is raised by a pair of scrolled acanthus feet leading to lovely cabriole legs decorated with swaging floral garlands. The legs are connected with a deeply sculpted S-scroll Giltwood stretcher with a foliate central reserve. The legs lead up to a richly carved Giltwood scrolled apron decorated with pierced swaging garlands and centered by a large palmette on a fine lattice background. The Rosso Levanto marble tops showcase an ogee edge and carved to follow the shape of the console.
