An impressive celadon Porcelaine de Chine and French 19th century Louis XVI st. ormolu candelabra lamp, signed Duché. The seven arm candelabra is raised on a square ormolu base with concave corners displaying richly chased rosettes in a satin and burnished finish centering floral patterns. Above a fine ormolu berried laurel band and a beaded band is the celadon vase with a lovely muted recessed pattern and a berried laurel pull with a tied ribbon at each side. Each wonderful floral arm above displays richly chased and etched foliage and flowers in bloom. All original gilt.
