A stunning and very unique Russian 19th century Neo-Classical st. ormolu and crystal chandelier. The twelve arm chandelier is centered by an elegant bottom solid cut crystal ball pendant below a lovely foliate reserve of exceptional and most decorated branches with charming leaves and delicate berries. Each of the branches are adorned with beautiful cut crystal pendants leading up to the central tier decorated with striking crystal star shaped and unique ormolu foliate reserves from where the arms branch out. Each elegantly scrolled arm is adorned with fine leaves and displays floral bobeches with berried foliate candle cups. Graceful chains and beaded crystal garlands lead upwards to an additional tier with a delicate charming tied ribbon and elegantly curved sprays with additional crystal pendants all below the dome shaped top crown with fine rosettes and swaging crystal garlands.
