An impressive and most decorative set of four Continental 19th century Neo-Classical st. Ormolu and Verde Antico marble lamps. Each stunning lamp is raised on a mottled square base with concave corners and Verde Antico marble fitted plaques on all four sides. Above the base, the circular plinth is adorned with a berried laurel band with the upward tapering fluted shaft above. The ionic top capital is tastefully designed with scrolling and dentil patterns, and a square display platform above. The mottled central fut emerging from the display platform leads to the two electrified bulbs.
