A stunning and most elegant set of four French 19th century Louis XVI st. Silvered Bronze and Baccarat Crystal sconces. Each unique four arm sconce is centered by a lovely Silvered Bronze backplate with foliate garlands at the bottom, large scale acanthus leaves and top hoop below a rosette. The arms protrude from the backplate from a single 'S' scrolled arm which splits in four, with three arms on the lower level and a single arm emerging upward from the center. Each arm showcases stunning twisted rope designs, acanthus leaves, and laurel bands leading to the foliate candle cups and scalloped Crystal saucers. A striking and most decorative array of beautiful cut Crystal swaging garlands connect the arms and display lovely kite shaped crystal pendants.
