An exquisite true pair of French 19th century Louis XVI st. Belle Époque period patinated bronze, ormolu and Rouge Griotte marble candelabra lamps. Each three arm lamp is raised by elegant topie shaped feet below the Rouge Griotte marble with a fine wrap around beaded band and a striking richly chased lightly curved acanthus leaf and gadroon designed ormolu support. At the center are charming intricately detailed cherubs seemingly holding up the three branches above with the cherub to the right playing a horn. The arms above display beautiful scrolled movements and are adorned in stunning richly chased acanthus leaves in a superb satin and burnished finish leading to elegant bobeches and fluted and beaded candle cups.
