An exceptional and most unique true pair of French 19th century Louis XVI st. ormolu and Baccarat crystal sconces. Each sconce is centered by a fine inverted bottom acorn finial below the elegant tapered fluted central support. The support displays eternal flames at the top which encase the stunning and unique cut Baccarat crystal shades. At the center are richly chased and intricately detailed foliate movements which surround the central fut and lead back to striking and finely etched luxuriant back plates all in a superb satin and burnished finish. All original gilt throughout.
