A beautiful and most elegant true pair of French 19th century Louis XVI st. patinated bronze, ormolu and Gris St. Anne marble statues. Each statue is raised by a striking circular Gris St. Anne marble base with a fine wrap around tied fluted band, superb recessed intertwined grape vines with a central cabochon reserve of tied arrows with the eternal flame, and fitted below a beaded band. The striking patinated bronze statues each depict beautiful Bacchanalian maidens standing in front of a tree trunk while draped in wonderfully executed flowing garments with one holding a coupe while the other holds a vessel. All original gilt and patina throughout.
