A stunning true pair of French 19th century Neo-Classical st. ormolu and onyx lamps. Each elegant lamp is raised by a square onyx base with four handsome paw feet fitted ormolu mounts. The stepped onyx base displays a richly chased wrap around berried laurel band with striking ormolu plaques on each side with hammered backgrounds in a superb satin and burnished finish below a lovely wrap around twisted ribbon band. At the center are beautiful richly chased maidens dressed in wonderfully executed flowing garments with a most decorative Greek key design at the border and holding an amphora with lovely etched designs on their shoulder. All original gilt throughout.
