A beautiful and high quality true pair of French 19th century Neo-Classical st. patinated bronze and ormolu lamps. Each lamp is raised by fine patinated bronze and ormolu bases with convex fronts and elegant stepped mottled designs. To the left is a charming and finely detailed handsome young man dressed in period attire while playing the mandolin. To the right is a beautiful maiden draped in an elegant and wonderfully executed flowing dress while holding a staff under her arm. All original warm and rich patina throughout.
