A striking and most impressive true pair of French Louis XVI St. Belle Époque period ormolu and Baccarat crystal centerpieces. Each centerpiece is raised by beautiful pieced foliate patterns with elegant grape clusters and branches. At the center are charming cherubs facing one another sitting on a ground like design while draped in a fine flowing fabric. The cherub to the left is holding up grape clusters as if to eat them. The cherub to the right has a basket of flowers, a bowl of fruit to his left and holds up a detailed love bird. Each are centered by striking richly chased vines leading up each side and adorned with intricate grape leaves and grape clusters. Above are the original Baccarat crystal dishes with a floral scalloped border and cut sunburst center design.
