A stunning and wonderfully executed true pair of Italian 18th century Venetian Blackamoors. Each is raised on an octagonal ebonized base with giltwood paw feet, decorative giltwood swaging floral garlands and lion heads on a faux painted Porphyry background. Each striking Blackamoor stands on a terrain designed base and holds up a giltwood torch supporting a candle. Both are dressed in classical sarongs with fine giltwood tasseled edges and most decorative hand painted blue, red and green polychrome colors with fabulous etched designs. They are adorned with decorative headdresses above richly carved and detailed faces, with captivating facial expressions.
