A beautiful and most decorative true pair of Italian 18th century Venetian ebony and Mecca Gondolier designed candlesticks. Each striking statuary is raised by a circular mottled mecca socle pedestal with beautiful hand painted flowers. Above, the striking figures are standing on a hand painted gondola with fine foliate movements. Each richly carved and intricately detailed figure displays finely hand painted details while holding up an oar in one hand and a bobèche in the other. Wonderful proportions and attention to details. All original finish throughout.
