A spectacular and large scale true pair of Italian 19th century Louis XV st. giltwood mirrors. Each mirror retains its original mirror plate framed within a most decorative mottled wrap around border. At each side of the straight base are striking richly carved dragons set on beautiful Greek key designs amidst foliate movements. Each impressive pierced top crown is centered by an intricately detailed reserve of handsome gentlemen, one facing left, one facing right, below superb topie shaped finials and flanked by additional remarkable dragons, Greek keys, and scrolled elements with charming blooming flowers. All original gilt throughout.
