An exceptional and extremely decorative French 19th century patinated bronze and ormolu statue stamped Tiffany. The statue is raised by an oblong base with a wonderfully executed wave design, unique fish swimming, and a striking rock where the young boy is sitting. He is wearing shorts and a hat with a medallion around his neck while holding up a harpoon to catch the fish. An impressive ormolu anchor is at his side with rope and a tipped over woven basket with fish in it.
