An outstanding and most unique French early 19th century Neo-Classical st. mahogany, polychrome and ormolu Chiffonier chest. The six drawer Chiffonier is raised by square tapered legs below striking wonderfully executed painted designs of serpents intertwined around a staff with charming fruit and tied ribbons extending up each side. Impressive richly carved polychrome caryatids with gilt accents standing on urns also flank the drawers. Each drawer accentuates the beautiful mahogany grain and is centered by a diamond shaped inlaid reserve and superb pierced ormolu keyhole escutcheon with lovely foliate designs.
