A sensational Italian 18th century Baroque giltwood and faux painted marble center/side table. The table is raised by handsome paw feet below a beaded border and a striking rock designed base. At the center are charming and richly carved cherubs amidst beautiful interlocking branches with love birds and a striking dolphin below. At the frieze are finely detailed carved grape clusters and oak leaves. Above an egg and dart giltwood band is the original and wonderfully executed painted faux marble top. All original patina and gilt throughout.
