A stunning and large scale Italian 18th century Baroque period giltwood mirror. The original mirror plates are framed within a foliate and hammered designed mottled border. At the base are foliate feet with rich scrolled patterns which center a finely detailed mask set on a lattice pattern. Extending along each side are fine floral designs while the top displays large and most decorative scrolled movements. The striking top crown is centered by a beautiful mask below a large foliate element. All original gilt throughout.
