A remarkable and most unique Italian 18th century Baroque st. giltwood and oil on board picture frame/painting of the Louis Philippe family. The picture frame displays a beautiful pierced giltwood frame with richly carved and extremely decorative scrolled foliate movements, charming birds, the urn of prosperity, and a striking top palmette reserve. Each of the wonderfully executed small scale oil on board paintings is set within a mottled giltwood border and depicts the family of Louis Philippe. All original gilt throughout.
