An extremely decorative and large scaled Italian 18th century Baroque st. patinated Bronze and Tole chandelier. The twelve arm chandelier is centered by a beautiful rounded array of acanthus leaves that surround the Bronze frame holding all of the arms. Each 'S' scrolled arm is decorated with a variety of highly detailed blossoming flowers that continue onto acanthus leaf decorated double bobeches. Stemming from the bottom Bronze ring which attaches each arm, emerges the exquisite central fut surrounded by patinated scrolled Bronze rods leading up to a spherical reserve of blooming roses and foliate designs. Above the reserve is the wonderful top crown made of an acanthus leaf and various blossoming flowers spray. All original and attractive patinated Bronze and Tole finish throughout.
