An exquisite and extremely decorative Italian 18th century Baroque st. patinated, giltwood, Sienna and Verde Antico marble center table. The scalloped rectangular shaped table is raised by two beautiful elaborately scrolled supports with exceptional wonderfully executed foliate designs and charming giltwood movements set on a remarkable patinated teal background. The supports are connected by a scalloped stretcher decorated in the same manner with striking scrolled foliate designs and wonderful movements also repeated along the patinated teal and giltwood frieze. Above is the exceptional Verde Antico marble top with a superb quarter veneered design and a lovely delicate recessed Sienna marble fillet at the border.
