An impressive and high quality Italian 18th century Louis XIV Period Venetian st. Giltwood and Polychrome console. This wonderful free standing console is raised on four handsome scrolled legs with hoof feet, and exquisite floral carvings. The legs are joined by an X shaped stretcher with scrolled movements draped with carved Giltwood tassels. At the center is a grand reserve of fine foliate carvings in a satin and burnished finish. The scalloped shaped pierced frieze displays fanciful scrolling foliate carvings amidst draped tassels. The scalloped Polychrome top follows the shape of the console and is fitted within a raised edge.
