A beautiful and most elegant Italian 18th century Louis XV period Mecca mirror. The mirror retains its original mirrors plates set within a fine mottled border. The frame displays lovely scrolled feet below Greek key reserves and large scrolled acanthus leaves centering beautiful richly carved foliate accents at the arbalest shaped frieze. A stunning and extremely decorative lattice design extends throughout leading to superb scrolled movements above finely detailed swaging berried laurel garlands, additional large acanthus leaves, delicate floral designs, and beautiful foliate reserve centering the top crown.
