A beautiful Italian 18th century Louis XV period polychrome, giltwood, and Orange Varois marble center table. The rectangular table from Bologna is raised by most elegant polychrome cabriole legs with handsome hoof feet and richly carved giltwood acanthus leaves at each corner. The scalloped shaped apron displays a fine recessed panel framed within a lovely giltwood fillet and centered by a charming seashell also repeated at each side and at the back.

Above is the original Orange Varois marble top with an elegant mottled border. All original gilt throughout.
