A stunning and monumentally scaled Italian 18th century Louis XVI period giltwood mirror. The mirror retains all of its original mirror plates set within a beautiful mottled foliate border. The base also displays a fine mottled design with elegant beaded, foliate and twisted ribbon bands. Wonderfully executed and intricately detailed foliate bands extend up and along the mirror plate with beautiful water flora leaves, unique richly carved dolphins, and lovely medallions with maiden faces. Above is an impressive mask of a beautiful maiden amidst superb scrolled acanthus leaves and charming flowers tied with a ribbon. The top crown displays graceful carved swaging tied fabric garlands, a fine Les Oves, and foliate band. All original gilt throughout.
