A stunning Italian 18th century Louis XVI period patinated and giltwood mirror from Milan. The original mirror plate is framed within a most unique and extremely decorative border. Along the base and leading up each side are beautiful carved circular patterns, with finely carved central rosettes, separated by charming foliate designs set on a sky blue patinated background. Above is a striking and beautifully designed arch shaped top crown centered by a red flower amidst green and gilt berried laurel branches with a tied ribbon set on a soft and most elegant sky blue background. The arch displays patinated red and giltwood foliate patterns. All original gilt and patina throughout.
