An elegant and most decorative Italian 18th century Louis XVI period Patinated wood and giltwood Trumeau mirror. The Trumeau is raised on a straight giltwood base with two large giltwood rosettes at each side flanking a recessed scrolled foliate panel. Above is a Coeur de Rai giltwood band and along each side are giltwood carvings of leaves, ribbons, birds and the eternal flame. At the center is the original mirror plate framed within a giltwood border below an elegant painted medallion of two classical maidens seated in the countryside and set within a giltwood frame amidst foliate carvings. Above is the impressive pierced top crown centered by a female mask within a pierced giltwood foliate and scrolled ribbon design and flanked by urn shaped finials adorned with giltwood bands. All original gilt, patina and mirror plate throughout.
