A most elegant and extremely decorative Italian mid 18th century Louis XVI st. patinated off white and giltwood carved 'Urn of Prosperity'. The carved wood element is raised by a circular patinated green base. Above is the circular socle with a bottom giltwood quarter round and a top beaded giltwood band. The urn is adorned by swaging floral garlands with top ribbons. The top fluted rim has a giltwood coeur-de-rai design below a richly carved bouquet or blossoming flowers. Wonderful attention to detail and proportions throughout.
