A stunning and extremely high quality Italian 18th century white Carrara marble statue of Diana her dog. The statue is raised by an impressive thick square base with a wonderfully executed paved design and a finely detailed tree trunk at the back. The beautiful Diana above is draped in a wonderfully executed flowing garment with her quiver strapped over her shoulder while holding her hand up to her curly hair tied in an updo. Her loyal companion is at her side with one paw on a cut tree trunk while his two front paws are resting on her leg. Wonderful attention to detail and subject matter throughout.
