A stunning and most impressive Italian 19th century Baroque st. giltwood and Brèche Harlequin marble console/wall bracket. The wall mounted console is raised by an exceptional and most decorative giltwood base with a wonderful array of richly carved acanthus leaves and blooming flowers with superb scrolled reeded elements centering a charming intricately detailed cherub face and woven basket with flowers. Above the striking mottled top band is the original Brèche Harlequin marble top with an elegant scalloped shape and a fine mottled border. Also finished at the underside and can be elevated as a wall bracket. All original gilt throughout.
