A sensational and large scale Italian 19th century Empire st. Flamed Mahogany, Ormolu and Scagliola center table. This very impressive circular table is raised on three squared cabriole Mahogany legs with Ormolu palmette designed top caps and pawed feet while being supported on its original casters. All three legs are connected by a thick Mahogany stretcher with three Ormolu stars and a circular mottled carved central reserve. The top section contains three Mahogany panels separated by tasteful Ormolu lion's heads as well as a pierced central diamond shaped reserve displaying palmette and rosette designs. One of the panels has a centrally located drawer with dovetail joints and a central reserve on the front. The circular top is beautifully designed with the Scagliola decorated geometric patterns and framed within a light colored outer edge.
