A beautiful and most decorative Italian 19th century giltwood and Pietra Dura marble side table. The table is raised by a superb richly carved giltwood base with three finely scrolled legs each decorated with handsome paw feet and striking acanthus leaves. The central support displays a lovely turned design with a striking reeded ball and carved oval patterns. The masterfully executed top displays a stunning array of inlaid marbles and stones. The central checker board is framed within a fine black Belgian marble band with a most decorative veneered marble band within.
