A high quality and extremely decorative Italian 19th century Grand Tour period Patinated bronze and micro mosaic side table. The table is raised by elegant tapered supports ending with paw feet designs while at the top are charming cherubs above acanthus leaves. The three supports are joined by additional bands creating an X form with a central circular rosette. Above is the micro mosaic top surrounded by a gilt metal band. At the center is Saint Peter's Basilica surrounded by a malachite border. The outer border displays eight oval inserts of other important Roman landmarks such as the Colosseum, Castel Sant' Angelo, The Pantheon, and The Roman Forum. All is surrounded by a three dimensional Greek key band with exceptional detail and condition throughout.
