A striking and most elegant Italian 19th century Louis XV st. giltwood mirror.

The oval mirror retains its original mirror plate set within a fine mottled framed with a lovely wrap around foliate band. At the base is a superb foliate reserve with a beautiful smooth central cabochon amidst scrolled movements and richly carved blooming flowers. The majestic top crown also displays a similar central smooth cabochon amidst impressive large scrolled acanthus leaves, beautiful palmettes, and additional charming and finely detailed blooming flowers.
