A beautiful and most elegant Italian 19th century Louis XV st. patinated, giltwood, and faux painted porphyry center table. The oblong scalloped shape table is raised by fine slender cabriole legs and topie shaped feet with lovely scrolled designs. A delicate giltwood fillet leads up each leg extending along the scalloped shaped apron. Above each leg are richly carved cabochon reserves amidst beautiful foliate carvings also repeated at the center of the apron. Above is the wonderfully executed faux painted porphyry top framed within a patinated band with a fine mottled giltwood border. All original gilt throughout.
