A stunning and extremely decorative Italian 19th century Louis XV st. patinated wood, giltwood, and Vert Campan marble center table. The table is raised by beautiful scrolled feet with finely carved acanthus leaves below the elegant tapered cabriole legs. Each leg is connected by a striking scrolled stretcher with lovely scalloped movements and fine giltwood fillets with a richly carved basket of fruit and flowers at the center. At each corner are charming intricately carved flowers and leaves flanking the exceptional pierced scalloped shaped apron with additional beautiful flowers and a richly carved central reserve. Above is the original Vert Campan marble top with a fine mottled border.
