An extremely elegant Italian 19th century Louis XVI st. giltwood and Noir Amandé marble coffee table. The coffee table is raised by fine circular tapered fluted legs with lovely carved acanthus leaf feet, block rosettes and richly carved foliate capitals. Centering the front apron is a carved and beaded recessed panel with charming berried laurel branches tied with a flowing ribbon. Above is the original fitted rectangular Noir Amandé marble top framed within a fine mottled border.
