A stunning and very unique Italian 19th century Louis XVI st. patinated, giltwood and Vert Campan center table. The oblong center table is raised by the most decorative base with fine mottled feet below the patinated off white bottom tier with a beautiful wrap around foliate border and striking richly carved foliate central finial. The two urn shaped supports at each side display elegant socle shaped pedestal supports below additional finely detailed foliate designs, a wrap around beaded band, fluted patterns and superb swaging berried laurel garlands. Above is the original Vert Campan marble top with a fine mottled border. All original gilt and patina throughout.
