A striking and most unique Italian 19th century Louis XVI st. patinated wood, giltwood, and faux painted marble mirrored console. The wall mounted console is raised by an elegant faux painted mottled bottom support with a fine mottled foliate giltwood band. Striking architectural mirrored columns extend up each side retaining their original mirror plates framed with giltwood borders and set on beautiful patinated teal backgrounds below a beaded and Les Oves band. The apron displays striking scrolled elements centering a most decorative foliate scrolled Rinceau shaped central design. Above is the original faux painted marble top with a mottled and dentil design. All original gilt and patina throughout.
