A stunning and most elegant Italian 19th century Louis XVI st. white Carrara marble birdbath/planter. This impressive birdbath/planter is raised by a circular mottled edge base which introduces the finely decorated mottled shaft above. The shaft contains an urn shaped lower section and an upward tapering support above. Above the tapered section of the shaft is the flared top basin which has mottled edges around the midsection and a Coeur-de-Rai patterned upper edge. The inside of the bowl is decorated with a smooth sealed finish perfect for a planter or birdbath.
