A superb and most impressive Italian 19th century Neo-Classical st. giltwood and Vert Maurin marble center table. The circular table is raised by handsome paw feet below the striking and most uniquely designed lightly scrolled tapered legs with fine rosettes and superb richly carved pierced swans. The legs are each connected by a most decorative stretcher with concave sides and a fine mottled design. The apron displays elegant rosettes and foliate carvings in a rich satin and burnished finish while above is the original Vert Maurin marble top. All original gilt throughout.
