An attractive and most decorative Italian 19th century Neo-Classical st. Giltwood and patinated Wood wall decor. This beautiful piece of wall decor is centered by a floral decorated Giltwood wreath with a thick patinated off-white band at the base. On both sides are slender circular 'S' scrolled patinated Wood movements with Giltwood swan heads which are wrapped inside the floral wreath. Both scrolling Wood bands are tastefully decorated with pierced acanthus leaves on top and palmette designs on the bottom. The end of each band contains a bouquet of blossoming flowers.
