An elegant and most decorative Italian 19th century Neo-Classical st. Mahogany, Giltwood, patinated Wood, and Ormolu center table. This wonderful circular center table is raised on a triangular base with concave sides. Each side of the base showcases stunning Giltwood mounts of stars flanked by large scale foliate palmettes. Centering the bottom tier is an elegant Giltwood urn displaying foliate and Greek Key carvings. Each of the three legs are supported on block feet with Giltwood rosettes and circular beaded plinths. The legs taper slightly and are finished with intricately detailed foliate Giltwood capitals. Above each leg are handsome patinated Wood lion's heads with Ormolu rings in their mouths. The apron is accented with additional foliate reserves between each leg and supports the stunning Mahogany top with an alternating bookmatch design.
