A magnificent Italian 19th century Neo-Classical st. marble side/center table.

The table is raised by a circular mottled Breche Violette base below an elegant Bleu Turquin marble band and the circular Incarna Turquin central support. The stunning top displays a striking central Lapis Lazuli reserve surrounded by Breche Violette and Incarna Turquin oval reserves framed within a Rosso Levanto border. Leading out in a beautiful sunburst design are Bleu Turquin and white Carrara marble fillets with inlaid Breche Violette half round patterns. At the border is a handsome Portoro marble and Breche Violette band.
