A handsome and most impressive Italian 19th century Neo-Classical st. white Carrara marble, Lapis Lazuli and ormolu freestanding console. The console is raised by square stepped mottled feet below striking square tapered legs with fitted Lapis Lazuli and fine pierced ormolu palmettes. Above the front legs are beautiful ormolu medallions with richly chased gladiators facing each other. At the center is a superb family crest flanked by intricately detailed pierce ormolu palmettes set on a Lapis Lazuli background. The white Carrara marble top displays a fine mottled border. All original gilt throughout.
