A striking and very unique Italian 19th century ormolu and pietra dura marble low side table/pedestal. The table is raised by an exceptional and richly chased ormolu tripod shaped base with wonderfully executed vine designs adorned with finely detailed and most charming grape leaves and grape clusters. The circular top displays stunning and most decorative inlaid marble designs with a central circular Alabastro Fiorito reserve and Portoro band surrounded by a superb array of Vert de Patricia, Rouge Royale, and Rouge Griotte marble to name but a few with a black Belgian marble band at the border.
