A sensational and high quality Italian 19th century Pietra Dura marble plaque and giltwood plaque. The marble and alabaster plaque is set within its original Giltwood frame and depicts a gentleman wearing a colorful period attire and a red coat leaning on a marble column with his legs crossed and his left arm on the column. The plaque is within a mottled frame with an inner twisted ribbon design and a scalloped outer border. All original gilding throughout, and with its markers sticker on the back.
