An outstanding Italian 19th century Renaissance st. patinated bronze vide poche/tall tazza. The vide poche is raised by a tripod shaped base with lovely scrolled legs, paw feet, large acanthus leaves, and finely detailed charming winged cherubs. The central fut displays a unique and most decorative design with six straight supports encasing fine finials with a beaded wrap around band. The top displays a richly chased scene of Rome with winged cherubs, soldiers, and maidens with musical instruments and caduceus all within a foliate border. All original patina throughout.
